Judy Note: *With mass arrests going on around the world, the US Supreme Court has ruled that the 2020 Election was invalid; Biden and Obama have been tied to Ukraine Bio-Weapon Labs and international Child Sex Trafficking; Monkey Pox(and CV-19) has to be proven to be a man made manipulated virus developed in those Ukraine Bio-weapon labs; the Earth was close to a Nuclear Standoff, there were major food shortages across the globe while it headed toward a*

financial market crash and with 130-140 countries that now have asset-backed currency, we were on the brink of a Global Currency Reset and return to a gold standard.

A. Global Currency Reset:

- **There were multiple sources who indicated Tier 4B** could possibly be notified by **Sun 10 July or Mon. 11 July** and start foreign currency exchanges/ Zim redemption **on Tues. 12 July.**
- **Fri. 8 July MarkZ:** there is phenomenal chatter as they are moving and putting whales into position. We are in a heightened stage right now. I am getting a lot of reports from whales in different redemption areas that are being asked to come back and stay no

matter how long it takes. I am getting reports from larger Tier 3 groups that they have been funded. But I've yet to find someone that has cash in their pockets.

- **According to Bruce** Tier 4B should be notified by **Sun 10 July or Mon. 11 July and start on Tues. 12 July.**
- **Coach Jerry: "I'm estimating that the 'Great Reveal' Mass Military Action,** coupled with us being at our appointments, will happen **between now & Sat. 30 July."**
- **Over the weekend** the Iraqi government was officially seated and the Iraqi Dinar was put on a platform that connected to the Quantum Financial System. **Back on Sun. 26 June** the Dinar began trading on Forex Back Screens starting at \$.28, and was quickly going up in value to eventually reach a possible \$17 by the time the GCR was official.
- **Since Sun. night 3 July 140 countries** have been trading their gold/asset-backed currencies on the Market.
- **At 1 am EST Mon. 4 July: The Fed lost it's charter to print money in 2012,** and they received a ten year extension that ended **July 4 2022. Stock Market Crash predicted.**
<https://www.investopedia.com/ask/answers/082515/who-decides-when-print-money-us.asp>
- **Bruce: There were 130-140 countries** that now have asset-backed currency including the twelve BRICS nations.
- **Bruce:** Iraq has been connected to the QFS since **Wed. 6 July.**
- **On Wed. 6 July a very valid Tier 3 source confirmed** that at least two Bond Holders had been notified that they would be paid out in full from **Friday 8 July 2022 through Monday 11 July** and that at least some of that money would be paid directly from the Rodriguez Trust.
- **Bruce: The new Dinar international rate** will be posted in their Gazette this **Saturday 9 July.**
- **Bruce:** 80% of Private and commercial flights in the US have been grounded – the reason to prevent Deep State Cabal from traveling. They made those arrests. They resumed those flights on **Thurs. 7 July** in order for the Bond Holders and paymasters had to get into position in Miami and Reno.
- **The Chinese Elders** have apologized for the delay in completing the Global Currency Reset saying, "The leadership just needed more time."
- **On Tues. 28 June** Putin announced the BRICS Countries were establishing a Global Currency Reset.

Reminder: No one, and I mean Absolutely No One knows the exact time and date that the Global Currency Reset would be finalized, with codes entered for notification of Tier 4B (us, the Internet Group) to set redemption/ exchange appointments – it dependent upon an earth shattering Event such as a global financial crash. **The exact time** would be decided by the Military out of calculations of their Quantum Computer and based upon concerns for safety of The People. **Trust the Plan.**

B. Restored Republic:

- **On Mon. 4 July at 8 am EST** and on the hour every hour there were major announcements in Washington DC and certain other cities asking people to stay in their homes (while the White Hats made arrests)
- **On Tues. 5 July** John F. Kennedy Jr. was said to have appeared in public for the first time: “I, John F Kennedy Jr, do solemnly swear that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter: So help me God.” <https://t.me/CodezVII>
- **On Tues. 5 July** Mass Arrests Began in Washington DC and other Cities; over 70,000 California Truckers were forced off the roads and the large Hadron Collider particle accelerator out of CERN was activated by the White Hats:
<https://home.web.cern.ch/news/news/physics/lhc-run-3-physics-record-energy-starts-tomorrow>
- **All Deep State generals**, colonial, commands in Military through the world will be exposed at the end of the Events.
- **Europe must fall first** because this is where the Deep State roots harbor most of it's command: Kazarian Mafia, Jesuits, Rothschilds, Davos Group, ect. Currently the European Union is admitting they are inside a collapse.
- **Through the collapse of Europe, NATO and the UN** will be exposed, as will Deep State Central Banking.
- **Since last Summer** every military throughout the world was positioning and getting ready for Events – that are now here. We are inside Black Swan Events.
- **Flights were no longer going in or out of Iraq**, and in other countries including 80% of commercial flights in the US due to the White Hats wanting to arrest certain people. Those flights resumed on Thurs. 7 July so Bond Holders could get to their appointments.
- **For the last five days** the EBS and CERN Hadron Collider were being tested.

Potentially millions of people in the US are now facing an energy or water crisis due to drought. Thousands across southern California have been advised to limit watering lawns and use recycled water from neighboring areas, while only golf courses remain an oasis of green in a vast dustbowl. Climatologist Steph McAfee maintains that the current two-decades of drought, however, are not unusual (AFP). There is a much larger agenda behind the current food shortage across the globe, and anyone who has been paying attention can see where this is going. We must do all we can to grow our own food and help each other."

- **Q: Trust the Plan:** Devolution, Continuity of Operation and Government
- **Continuity of Operations (COOP):** is a United States federal government initiative, required by U.S. Presidential Policy Directive 40 (PPD-40) Devolution Plan to ensure that agencies are able to continue performance of essential functions under a broad range of circumstances. PPD-40 specifies certain requirements for continuity plan development, including the requirement that all federal executive branch departments and agencies develop an integrated, overlapping continuity capability, that supports the eight National Essential Functions (NEFs) described in the document.
- **The Federal Emergency Management Agency provides** guidance to the private sector for business continuity planning purposes.[1] A continuity plan is essential to help identify critical functions and develop preventative measures to continue functions should disruption occur.[2] Continuity of government (COG) is the principle of establishing defined procedures that allow a government to continue its essential operations in case of a catastrophic event such as nuclear war.
- **Both plans keep the U.S. systems from collapsing**(fully) and keeps the public perception from fully knowing what's happening behind the scenes for the reasons of Public Panic and Civil War outbreak.
- **As Military Operations** are taking place behind the scenes to secure/reverse the Three Branches of Government from a foreign captured Operation.
- **Military is helping in public dissemination of information** through several key sources/EVENTS and including several civilians who become operators inside the Atonement Military Operations.
- **The Military must first exercise all legal avenues** (done by the book Q) through all 3 BRANCHES of the U.S system before FULL Military action and OVERT/COVERT Operations can be DECLASSIFIED.

R. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

R. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There’s certainly no help from US or other nation’s government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

S. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within these organizations:

T. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right

next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

U. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
